I (approve , do not approve) this petition to drop after the official drop period for serious and compelling reasons.

Student's Major College/School Dean Date

Dropping of classes during the last 15 days of instruction is permissible only in cases such as serious accident or illness clearly beyond the student's control. Ordinarily dropping classes during the last 15 days of instruction involves total withdrawal from the University.

Approval to drop does not alter the refund deadline as stated in the current class schedule.

Dropping below 12 units may affect visa status, financial aid, medical insurance, and/or automobile insurance.

F1 and J1 students should confer with the International Center before dropping any classes.
